

ADOPT A • SENIOR *for the holidays*

Did you know that 15% of our clients are over the age of 65? The majority of our senior clients are living at or below the poverty line and struggle each month to pay their mortgage or rent and necessities, such as food, medication and utilities. The holidays are especially tough for those without family and friend connections. The Adopt-A-Senior program offers our seniors an opportunity to receive a gift and meal for the holidays. Your donation goes a long way in helping seniors have a brighter holiday season.

Program Overview

1. South County Outreach pairs sponsors with seniors in need.
2. Once matched, sponsors shop for groceries that can be part of a holiday meal, as well as a gift for the senior.
3. Finally, sponsors meet the senior, delivering the food and gift, fulfilling the adopted senior's holiday wishes.
