**ClubCorp Employee Partner Care Foundation (E.P.C.F.)** assists those people you connect with at the Club. From your favorite server at dinner to your golf assistant, assistance is available to all Club Corp employees. The Foundation helps those individuals in the midst of many different crises such as home loss, death, illness, as well as domestic situations. The E.P.C.F. has approved 98% of all requests. In a recent case close to home, help was given to a favorite tennis pro going through chemotherapy.

Augie Nieto is the successful fitness industry mogul behind Lifecycle, Life Fitness, and Octane Fitness. He was diagnosed with ALS in 2005. Augie co-founded **Augie's Quest** to Cure ALS. Through events, partnerships, and fundraising activities around the globe, Augie continues to drive success by funding cutting edge ALS research at the ALS Therapy Development Institute (ALS TDI) in Cambridge, Massachusetts.

Preventing Hunger and Homelessness and Providing Individuals, Families and Seniors in Crisis with the Tools that Help Them Help Themselves, is the founding mission of **South County Outreach**. There are 18,000 homeless cases in Orange County annually, but many more are on the verge of homelessness and even more have food insecurities or go hungry. We help over 6,000 residents; almost half of those are children, through housing, food, and workforce development training.

A national voluntary non-profit organization dedicated to ensuring that those who are emotionally traumatized in emergency situations receive the assistance they need **Trauma Intervention Programs (TIP)** accomplishes that goal, by working closely with local communities to establish emergency services volunteer programs
